

C025 CUTOFF SAW

March 2013

Lightweight and powerful, the Stanley C025 Cutoff Saw is ideal for cutting concrete, masonry, pipe, structural steel beams and guardrail.

The C025 multi-hand position cast aluminum handle with interlocking safety trigger provides ergonomic grip at a variety of tool angles for reduced operator fatigue.

Tamper-proof flow control meets ANSI specifications for speed control, reducing the risk of over-speeding the cutting wheel.

Cutoff saws can be used with readily available standard abrasive wheels and wet or dry diamond blades.

Internal blade brake retards spindle rotation upon release of trigger to greatly reduce wheel coast time.

Adjustable cast aluminum wheel guard is designed to provide excellent durability, allow cutting near obstructions and minimize tool weight. Available handle extension kit provides for upright operation to meet operator preference.

The Stanley saw cart with a C025 makes the ideal tool combination for accurate dimensional cutting of concrete flat work.

Heavily weighted frame of the Stanley saw cart provides a stable platform for slab cutting. Handle-mounted control provides convenient adjustment of cutting depth.

SPECIFICATIONS

ITEM	USA	METRIC
Output Capacity	14 in. Wheel	35.6 cm
Input Flow Range	7 - 9 gpm	26 - 34 lpm
Input Pressure	1500 - 2000 psi	105 - 140 bar
Optimum Flow	8 gpm	30 lpm
Weight	20 lbs	9.1 kg
Length	21 in.	53.3 cm
Width	11 in.	28 cm
Motor	HYREVZ™ Gear	
Porting	8 SAE O-Ring	
Connector	3/8 in. Male Pipe Hose End

ORDERING INFORMATION

Model No.	Description
C025141	Cutoff Saw, Counter-Clockwise Rotation, 1 in. Arbor
C025541	Cutoff Saw, Clockwise Rotation, 1 in. Arbor

Note: All above are open-center system.

ACCESSORIES

Part No.	Description
02691	14 in. / 35.6 cm diameter, C025 Metal Cutting Abrasive Wheel, 1 in. Arbor
02692	14 in. / 35.6 cm diameter, C025 Masonry Cutting Abrasive Wheel, 1 in. Arbor
62358	14 in. / 35.6 cm diameter, C025 Dry Cut Diamond Blade
34175	Handle Extension Kit
33228	Water Attachment
69704	Water Tank Kit for Saw Cart
69290	Saw Cart

WARRANTY

Stanley Hydraulic Tools and their associated parts are warranted against defects in materials and workmanship for a period of twelve months from the date of purchase. Stanley Hydraulic Tools reserves the right to repair or replace only those parts which prove to have been defective at the time of purchase. This warranty becomes void if maximum flow and pressure ratings are exceeded.

All Stanley Hydraulic Tools, parts, accessories and allied equipment are subject to design improvements, specifications and price changes at any time without notice and with no obligation to units already sold. Weights, dimensions and operating specifications listed herein are subject to change without notice. Where specifications are critical to your applications, please consult Stanley Hydraulic Tools.
