Carry Bags and Cases

- Hands-free transportation
- Use the locator while in the bag
- Carry your favorite accessories
- Added protection of your asset

vLoc3/Loc3 Series Backpack

Pack all your locating needs in the Loc3 Series Backpack. The top windows allow access to the LCD and keypad, while the window on the side allows full access to the connection lead sockets and AC/DC charging socket.

Loc3 Tx Carry Bag

The Loc3-Tx carry bag has compartments for the ground stake and connection leads and room for other tools. The transmitter's controls can be accessed and operated without removing it from the bag, which has an adjustable shoulder strap.

The vLoc3 Series Receiver Carry Bag

For when only the receiver is needed, this bag can carry select vLoc3 series receivers and chargers comfortably. The bag has a double-ended heavy-duty zipper for easy, fast access to the receiver.

vLoc3/Loc3 Series Hard Case

The case will fit select vLoc3 series receivers and all Loc3 series transmitters with the signal clamp, chargers, and leads, with extra room for other day-to-day tools you may need while in the field.

Dimensions: 31 x 11 x 15" / 78 x 28 38cm

Weight (empty) : 9.3 lbs. / 4.22kg
